SH 525:22–24

In the Science of Genesis

we read that He saw everything which He had made,
24 “and, behold, it was very good.”

SH 581:8 (only, to .), 11–13

ARK. ...

God and man coexistent and eternal; Science show-
12 ing that the spiritual realities of all things are created
by Him and exist forever.

SH 514:28

All of God's creatures,
moving in the harmony of Science, are harm-
30 less, useful, indestructible. A realization of this grand
verity was a source of strength to the ancient worthies.
1 It supports Christian healing, and enables its possessor
to emulate the example of Jesus. “And God saw that
3 it was good.”

Creatures of
God useful

SH 277:7

Good cannot result in evil. As God Himself is
good and is Spirit, goodness and spirituality must be im-
9 mortal. Their opposites, evil and matter, are mortal
error, and error has no creator. If goodness and spirit-

uality are real, evil and materiality are unreal and can-
12 not be the outcome of an infinite God, good.

SH 17:14

For God is infinite, all-power, all Life, Truth, Love, over
15 all, and All.

SH viii:9–12, 16

9 Theology and physics teach that both Spirit and
matter are real and good, whereas the fact is that
Spirit is good and real, and matter is Spirit's oppo-
12 site.

Sickness

has been combated for centuries by doctors using ma-
18 terial remedies; but the question arises, Is there less
sickness because of these practitioners? A vigorous
“No” is the response deducible from two connate
21 facts, — the reputed longevity of the Antediluvians,
and the rapid multiplication and increased violence of
diseases since the flood.

SH 592:22

NOAH. A corporeal mortal; knowledge of the noth-
ingness of material things and of the immortality of all
24 that is spiritual.

SH 196:31–5; 197:11–16

The press unwittingly sends forth many sorrows and
diseases among the human family. It does this by giv-
1 ing names to diseases and by printing long descriptions
which mirror images of disease distinctly in thought. A

3 new name for an ailment affects people like a
Parisian name for a novel garment. Every one
hastens to get it.

Pangs
caused by
the press

12 The less that is said of physical structure and laws, and
the more that is thought and said about moral
and spiritual law, the higher will be the stand-
ard of living and the farther mortals will be re-
15 moved from imbecility or disease.

Higher
standard
for mortals

We should master fear, instead of cultivating it.

SH 367:24–27

24 The infinite Truth of the Christ-cure has come to this
age through a “still, small voice,” through silent utter-
ances and divine anointing which quicken and increase
27 the beneficial effects of Christianity.

SH 559:8–10

The “still, small voice”

9 of scientific thought reaches over continent and ocean
to the globe's remotest bound.

SH 293:13–16, 21–28

15 The material so-called gases and forces are counter-
feits of the spiritual forces of divine Mind, whose potency
is Truth, whose attraction is Love, whose adhesion and
cohesion are Life, perpetuating the eternal facts of being.

21 There is no vapid fury of mortal mind — expressed in
earthquake, wind, wave, lightning, fire, bestial ferocity
— and this so-called mind is self-destroyed.

The counterfeit
forces

24 The manifestations of evil, which counterfeit
divine justice, are called in the Scriptures, “The anger

of the Lord.” In reality, they show the self-destruction
27 of error or matter and point to matter's opposite, the
strength and permanency of Spirit.

SH 581:8

ARK. Safety; the idea, or reflection, of Truth, proved
9 to be as immortal as its Principle; the understanding of
Spirit, destroying belief in matter.

SH 173:11

What is termed matter manifests nothing but a material
12 mentality. Neither the substance nor the manifestation
of Spirit is obtainable through matter. Spirit is positive.
Matter is Spirit's contrary, the absence of Spirit. For
15 positive Spirit to pass through a negative condition
would be Spirit's destruction.

SH 293:3–6, 17

3 Electricity is not a vital fluid, but the least material
form of illusive consciousness, — the material mindless-
ness, which forms no link between matter and
6 Mind, and which destroys itself.

Elementary
electricity

Electricity is the sharp surplus of materiality which coun-
18 terfeits the true essence of spirituality or truth, — the
great difference being that electricity is not intelligent,
while spiritual truth is Mind.

SH 93:17–18

Destructive electricity is not the offspring of in-
18 finite good.

SH 91:13–17

The destruction of
error is by no means the destruction of Truth or Life, but
15 is the acknowledgment of them.

Absorbed in material selfhood we discern and reflect
but faintly the substance of Life or Mind.

SH 201:17–18

The way to extract error from mortal mind is to pour
18 in truth through flood-tides of Love.

SH 570:8–25; 571:15–16

Revelation xii. 15, 16. And the serpent cast out of his
9 mouth water as a flood, after the woman, that he might
cause her to be carried away of the flood. And the earth
helped the woman, and the earth opened her mouth, and
12 swallowed up the flood which the dragon cast out of his
mouth.

Millions of unprejudiced minds — simple seekers for
15 Truth, weary wanderers, athirst in the desert — are wait-
ing and watching for rest and drink. Give
them a cup of cold water in Christ's name,
18 and never fear the consequences. What if the old dragon
should send forth a new flood to drown the Christ-idea?
He can neither drown your voice with its roar, nor again
21 sink the world into the deep waters of chaos and old night.
In this age the earth will help the woman; the spiritual
idea will be understood. Those ready for the blessing
24 you impart will give thanks. The waters will be paci-
fied, and Christ will command the wave.

Receptive
hearts

15 At all times and under all circumstances, overcome
evil with good.

SH 572:12

12 Love fulfils the law of Christian Science, and nothing
short of this divine Principle, understood and demon-
strated, can ever furnish the vision of the
15 Apocalypse, open the seven seals of error with
Truth, or uncover the myriad illusions of sin, sickness,
and death. Under the supremacy of Spirit, it will be seen
18 and acknowledged that matter must disappear.

Fulfilment
of the Law

SH 288:10

When the final physical and moral effects of Christian
Science are fully apprehended, the conflict between truth
12 and error, understanding and belief, Science and material
sense, foreshadowed by the prophets and inaugurated
by Jesus, will cease, and spiritual harmony reign. The
15 lightnings and thunderbolts of error may burst and flash
till the cloud is cleared and the tumult dies away in the
distance. Then the raindrops of divinity refresh the
18 earth. As St. Paul says: “There remaineth therefore
a rest to the people of God” (of Spirit).

SH 584:26

DOVE. A symbol of divine Science; purity and peace;
27 hope and faith.
